

rendez-vous 2020

Faith Gone Wild

August 11–14, 2020
The University of Calgary

Meet some of the talented people who will drive us
wild at Rendez-vous 2020!

Speakers

You may have seen **Dr. James Makokis** and his partner Anthony as they made their way to the finish line of The Amazing Race Canada. Come and hear about the **brazen grace** he offers through his medical practice focussed on the health and wellness of transgender people.

Pam Rocker is an atypical activist, speaker, award-winning writer, and musician. She will help us learn how to create **brave space** in our communities of faith and all facets of our lives. A solid United Churcher, Pam challenges prejudice in creative ways and to top it all off, she has rockin' hair!

We will share **bold faith** with one of The United Church of Canada's **global partners**. Our People in Partnership staff are working hard to get all the paperwork done to bring several partners Rendez-vous. Who will the keynote speaker be? Someone from the Philippines? Kenya? Palestine? Come and see!

Music and Worship

We are excited that our very own Moderator, the **Right Reverend Richard Bott**, will be providing worship leadership. We still have some surprises up our sleeves, but for sure Calgary's **Naked Faith** band will be there.

We are still looking for workshop and home group leaders.

Learn more about how you can provide leadership: <https://www.uccrendezvous.ca/help-out/>.
